

# Research Associate in Archaeology

Canterbury Museum is calling for applications from suitably qualified persons for the fixed term position of Research Associate in Archaeology.

The Research Associate will complete the analysis, research and publication of one excavated archaeological field collection held by the Museum. Preference will be given to proposals to study sites identified as significant by the Museum.

To find out more about the position, the study sites and how to apply, please contact Maxine at Canterbury Museum, Rolleston Avenue, Christchurch 8013.
